First Letter to women

Iggera Qadmaya i Nashin

Written May 2023

He, our Father, is the Light of the morning,

Let the light of equality of the sexes illumine the darkness of falsehood,

Choose ye the life, why choose ye then that which is perverse?

Clear the way for God, and in the name of inequality seize only sorrow?

The unintelligent walk in their pride, far removed from the reasoning of men, and they say,

"Women are subject to us," and they are like beasts of prey, the unintelligent.

In their passion they seek to humiliate the innocent - so they humiliate women and their dignity,

reduce them to the role of servants?

In their passion, they also allow themselves to have many wives - thus destroying order, bringing

poverty?

In their folly they whisper, "Let us plant hatred between men and women"; but the Lord hath made

them equal, the opponents in their folly speak calumny?

They also think that if they pray three times a day, the Lord will forgive them their violence, the

Lord sees and repays them.

Does not deep-rooted inequality bring misery to families?

Will the cry of the righteous be the answer to the correction of hearts?

Will slowing down to allow shouting and violence not be a good solution to silence

women? Beating with word the wife is not the solution to the troubles of life.

No Eye of God, would allow women or wives to be beaten or treated with humiliation.

The Eye of God's compassion, His All-Seeing Eye of providence, takes care of the immensity of

the waters of inequality and injustice. Through His foolishness the Quran is ridiculed, because of

the false interpretation of Islam, innocent women must suffer.

The Divine Virgin, the Shekinah of Heaven, invites all people to participate in the feast of equality,

to share the bread of unity, understanding and compassion.

People, too, far from the Shekinah's help, full of prejudice and lacking reason, resort to violence as

an instrument of their defence.

People who condone the beating of women have warped minds, are corrupt, lack humanity, have

no compassion and are far from empathy.

A society that deliberately avoids protecting women's rights is withering and dying, sinking to the

bottom of barbarism. A society, however, that enjoys the support of women as well as men,

seeking equality and opposing inequality, enjoys all the blessings of Heaven.

It is therefore necessary to unite the western and eastern worlds, so that the world may enjoy the

full blessings of Heaven.

The husband who beats his wife is lost in his own love, blind to his wife's pleas, her sufferings and

humiliation. God actually hates violence, and every effort should be made to prevent violence in

the family and in marriage.

The nise of nations is where women are not treated equally, their rights are denied. And when

women's rights are denied, life also disappears, for women are the source of life and all virtues.

In order for a nation to develop and to absorb God's blessings, it is necessary to maintain harmony, it is necessary to make the earth a paradise.

There is no need to extinguish the fire of equality, for if the fire goes out, it will not consume the

immensity of injustice.

Gentleness, quiet submission to the husband's will, forbearance towards violence and the long

suffering of women do not constitute blessing, but are a reason to call these qualities enslavement.

Women should come out of the Egypt of humiliation towards men who despise them. Similarly,

when equality and harmony prevail, nations will develop in a heavenly order. We should promote

equality between women and men with all our might, without them love and empathy is humiliated,

the joy of life will be removed, and the suffering of women will steadily increase.

God made Adam male and female equal in all things , and men reign in their stupidity over women only because they fall and sin.

Anyone who rejoices in the inequality of the sexes humiliates God, who created women equal to

men. Men should learn compassion, empathy and care from women, and the world would be a

better place because of it.

If a violent society were to continue oppressing women, their suffering would certainly not be

extinguished, but increased - evil needs to be eradicated, just as the Lawgiver killed an abusive

slave, so

should we kill our own selfishness - promoting equality, and disassociating ourselves from all

injustice, harm and suffering.

The vestiges of barbarism - the promotion of inequality, violence and hatred against women - are

still to be seen in the East, even in pagan countries. Here in the West the rights of women are

especially protected, let the light of God also lighten the darkness of the night in the East. When

the west accepts the One Indivisible God, drawing its source from the east of the morning, and the

east accepts the equality of women as a legitimate truth through the influence of the west. Then

the world will be saved, and the Lord will illuminate the darkness of the earth with great light.

When the disunited Christians forget the Gospel, and when the Moslems separate themselves

from the Qur'an and accept the Message, surely the world is destined for Paradise. People will

become brothers, love will not be deceived, compassion and peace will surround the whole earth.

Amen.

He God is the Sabbath

Hu Elah Sabbat Hu

Written in January 2023

He , God is the Sabbath, in Him my soul rests

He is the One Lord, He is the One Universal Ruler, existing beyond time, Eternal.

He Who does not hate, Whose love surrounds all creatures

He is Self-existent, ever existing

He Who is like no one, not formed in the womb of His mother, never being human

He whose name through the ages is glorified, as the Father of Salvation

He Who exists beyond the universe and the universe does not embrace Him

He Who did not create evil, but evil itself came before Adam

He who does not give the command of fear, is not guided by the misfortune of man

He who is Truth, God above gods, the Only Savior of mankind

He who does not send man to wander his soul endlessly from body to body

He Who passes judgement on nations, plunges powers into abundance and misery

He who stills man's tongue to speak, stills man's thoughts to refine all things

He who exalts the repentant, He who humiliates the proud

He it is who speaks, who thinks and feels

He is the righteous Spirit, the one who does no harm

He around whom all the prophets walk , around whom the holy angels sing songs of praise

He who shuts the mouths of false prophets, who snatches away lies and tramples them -  
He is the

Lord of war of the soul

He who satisfies hunger, who leaves the poor with nothing

He Who satisfies all needs, Who bears the burdens of mortality

He who satisfies love for love, praise for praise, who deeply scratches the insides,  
passionately

probes the heart of man

He who is unsurpassed in selfless love

He who is not idle, but eager to cooperate, whose sinners do not become a burden

Because of His miracles thousands bow down to Him on earth, tens of thousands praise  
Him in the

heavens

He whose holy actions bring salvation, abundance and respite to mankind

In him hundreds of nations place their hopes, in his Soul, in his guidance of the angels one  
can

see his jigsaw puzzle

At his presence all tremble, the earth shakes at the sound of his horn, before him liars  
become

truthful and sinners whiten their robes

In him the saints abide, in him they put their hope, at the sound of his trumpet the nations are

astonished - the veils from their eyes are lifted.

So be obedient to these verses, do not deviate from them either to the right or to the left, for this is

the Way of purity, walking in obedience to the Will of the Lord

He is the Lord of reality and not of illusion or human tradition,

At His command, the holy angels are sent as angels of the Christians, as angels of Islam, as

angels of the Jews.

But he knows the beginning at the end, and the end is his beginning

Before His eyes nothing can escape, among His angelic hosts nothing can escape, He is All-

Seeing , Majestic in His appearance.

In His ranks, Satan is the counselor of the Holy One, in His name man is tempted, thanks to Him

God makes His grace visible, determines the desire for change.

Through his commands good and evil days were created, His thoughts did not become our thoughts, and His ways are not our ways.

His commands through Satan are evil to do great value for good. So choose righteousness so that

you can live, glory, pride, greatness pass away , they are anther in the universe, but love lasts

forever. Recognize therefore the Greatness of the Lord and become a humble servant of his.

He does not remove His bed, His bed spreads out over the earth, every Sabbath, He rests with all

mankind.

He does not put on clothes to cover Himself, He nevertheless covers mankind with His blessings,

mankind, however, rips off its clothes if it considers truth a momentary pleasure, and in enduring

iniquity it considers falsehood.

At his command all the angels are summoned , their will is only obedience. They know nothing but

goodness, and they do not ask for forgiveness since they have never upped. However, people ask

every day, He listens to them, He does not hide His forgiveness from them.

They wander aimlessly, those souls who have taken the truth for evil, those who have become evil

souls, those who have clung to self-worship.

By his command people do righteousness , and by his own command people do iniquity. No one is

a slave to Allah, however, people possess freedom of choice. His commands thus do not stem

from a desire to enslave man, but rather to bless them.

Sing ye therefore unto the Lord all nations, with great shouting and uproar gather together to

Praise His Name alone. He is One, Indivisible, the One who does not become woman or man, the

Lord of human souls, the Holy Spirit.

Some say of Him - God the Mighty? The Lord He always exists

He distributes abundant gifts among the nations. His Glory shall reach from end to end of the

earth. His insignia, His signs and wonders shall follow Him. Of His Love, His Forgiveness and His

Care shall the obedient nations sing.

O some speak of His incomparable virtues, some praise His attributes, some exalt His greatness.

All this is an expression of His beauty, He is the Wonderful Counselor, the matchless Physician of

the soul, quick to forgive offenses.

About Him it is not possible to learn either through personal revelations or through human philosophies, open the Book of Books and you will see the Lord, He who revealed Himself on

Mount Sinai. The Lord from eternity to eternity unchanging, humiliating the pride of the proud.

He who kindles in the soul the desire for change, in His gentle support one obtains uplifting.

He is the Lord of Salvation, the one who has no other similar Savior beside Himself. He is the One

who takes life , and then restores all to life. He is Life , not human flesh. Sing to the Lord of Hosts

of the nations, do not spend the merits of humiliation, but serve Him out of love for humanity, serve

Him with unwavering love.

Let them say Amen. For all that I have said is true.

Amen.

Letter about Exaltation of God

Iggera Ruma d-Elah Illaya

Written in February 2023

Arise, the Lord is our Rock,

His glory is among the elect

He, the Lord, is the One Indivisible God

He says - beside me there is no other Savior

He says - I am not a man, not incarnate in any body,

He is the One who cannot be described in words, who is the Eternal God

His breath works miracles, at His voice the earth trembles

His Wrath falls on those who punish themselves,

His Glory is among us, among the elect of the nations

To him are not like animals, nor men, nor angels

He, the Lord, is the only God

He says - beside me there is no other Savior

His bounty is in response to the love of others

His bounty is free, so walk ye and take freely,

O arise go on pilgrimage to honor His Holy Name

O remember the Words of the Holy Book - Sacred Scripture,

Verily, This Writings is the Message of Truth,

Verily, This Writings is the renewed "Reading",

Verily, This Writings is the Sacred Teaching of Peace,

He G-d is the Only Forgiver of sins,  
He is the Only One who blots out all sins,  
To Him no punishment or reward is needed,  
For His bounty is open before many,  
For the reward and punishment of the sinner is expressed in free will,  
Next to Him there is no similar Savior,  
In him all nations should seek rescue,  
In him all nations should seek permanent union,  
He the Lord is One, none is equal to Him, One who has no intermediaries,  
His sweet fragrance of forgiveness spreads to all creatures,  
He the Lord is One, none is equal to Him, He who has no Adversary,  
God, He is the Word, not a man. He is the immortal and not a mortal. Man's wisdom is the way to  
give Him Glory. So gain the name of righteousness by walking in the way of worshipping the One  
Lord, gain punishment by walking in the way of idolatry and adding companions to God.  
He the Lord is One, no one is equal to Him, He does not despise the repentant sinner,  
His Word is a reward and a punishment, human wisdom disappears, good conduct, however, will  
be exalted.  
He the Lord is One, no one is equal to Him, He is not inclined to anger, willingly forgiving trespasses,

Gain wisdom and do not walk with the wrathful, be kind to all, be truthful, abstain from impurity of

words.

He the Lord is One, no one is equal to Him, He is the Only One worthy of honor,

Gain wisdom and do not fear human perversity, no man can call you a fool, no one but Allah you

owe to fear.

He the Lord is One, no one is equal to Him, He is Almighty,

Gain wisdom for our Lord is called the Lord of wisdom. Do not neglect teaching your children,

spiritual and earthly value lies in the formation of goodness. Adorn your children with the most

precious pearls of wisdom, weave the threads of their clothes from the silk of righteousness,

striving to help their neighbors.

He the Lord is One, no one is equal to Him, He is Almighty,

Serving in the path of righteousness restrains the punishment of heaven, iniquity does not gain the

upper hand in society. Do not despise the shaping of human minds to honor righteous values ,

virtuous actions and actions for peace. Our Lord is not a passing light, He is loving-kindness, the

Eternal God.

He the Lord is One, no one is equal to Him, He is Omniscient,

Allah's righteousness is with us, His righteousness among us, among the elect of the nations. His

presence, His Holy Shekinah, will be honored, it reconciles the sinner with the Lord, it sanctifies

and teaches deeds of righteousness.

He the Lord is One, no one is equal to Him, He is the Lord of all - life and sm,

He who forms his words, deeds and thoughts in righteousness, he is far from the distress of the

day. To him the day will serve, he will be a delight to him, peace of soul and body will be his

reward, punishment, however, is in the greed of the mind, restlessness rules it.

He the Lord is One, no one is equal to Him, He is without beginning and without end,

Let the advice to the daughter and the son be expressed in deeds, for words are transfiguring. So

show them what is good, do not command them and do not punish them with harshness of word or

hand. The wisdom of the Lord brings man nothing but respite, in him is the joy of the youth, in him

the meditators seek wisdom.

He the Lord is One, no one is equal to Him, He is the source of all life,

G-d calls all to gather, to confess His name Unanimously, and to acknowledge His authority over

the world alone.

Here and now in these earthly bodies, He sends the Stone of Destruction which will

shatter all Kingdoms, which will uproot the blasphemy of the Trinity, crush idols, destroy death and

suffering.

He the Lord is One, no one is equal to Him, He is the Final end,

At the hour of a man's departure from this world, his Almighty Father and relatives gather around

him, and he sees and recognizes them, as well as all those with whom he has communed in this

world, and they accompany his soul to the place where he is to stay. There is no greater punishment than suffering for evil deeds during life, and there is no greater reward than all-encompassing love, and its touch after death. The former is hell, the latter is heaven. It is true that

people punish themselves while they are alive, creating the hell of their mind - in their words,

actions and thoughts, likewise they create heaven through their thoughts, actions and words.

He the Lord is One, no one is equal to Him, He is the Primal Cause,

Gateway - Shekinah the gates of paradise for all prophets.

He the Lord is One, no one is equal to Him, He is the Exalted One,

Our Lord is all things earthly the Exalted One. He is not the King of bodies but the King of souls.

We are His people, we are His flock seeking comfort in Him. We seek forgiveness in Him, and He

willingly distributes forgiveness.

He the Lord is One, no one is equal to Him, He is Separate from all,

Return to the followers of all faiths love for love, do not raise mockery , insults or be far from

seeking inequality. Shekinah , God's presence is among those who choose their words wisely, who

walk in purity of body and love despite being hated by strangers.

He the Lord is One, no one is equal to Him, He Connected to all by a thread of love,  
Reciprocate to the followers of all faiths love for love, without using jokes or being reckless  
in words, respond with words of kindness and greeting to all people. Insulting speech yes to  
strangers and the Bayan people should not take place. The sincere advice is that the dove  
of peace should dawn over our heads, that we may rest with the Shekinah in the presence of  
G-d  
Himself.

He the Lord is One, no one is equal to Him, He takes care of everything  
Reciprocate love for love among yourselves, even if you disagree among yourselves, let  
not your plurality of opinion divide and separate you. How much stronger are you in the camp of the  
Shekinah gathered in unity, than outside the desert alone? Those who bring confusion  
worship more of their own self in place of God, by this it is said that unclean spirits engage in  
confusion and  
disrespect for God.

He the Lord is One, no one is equal to Him, He is the Cause of all causes  
From within man, they say, comes all insulting speech, all gossip, all mockery, all hatred,  
all unholy speech. Do people destroy themselves, even unclean spirits are not the result of their  
actions? On the contrary, it is in people that all evil lies dormant, they can become angels of light or  
devils of malice. Satan sent by God, only tempts, but we govern ourselves, we ourselves choose  
good or

evil? Truly.

He the Lord is One, no one is equal to Him, He expresses Himself in the power of His attributes.

O speak words of consolation to the afflicted, speak words of admonition to the sinners, speak

words of beauty to soothe souls. Simple are those who curse excessively, those who share an evil

presence, just as the holy people dwell in the midst of God's presence.

He the Lord is One, no one is equal to Him, He is Abundant in grace,

Separate yourselves from deceitful speech with a wall, call forbidden speech - mockery, dragging

yourselves for the praise of good, dragging yourselves for the praise of the One God, nor serve

curses.

He the Lord is One, no one is equal to Him, He is the Helper in need,

With God , there is no division between men and women. Likewise in Him is manifested Himself as

well as His Heavenly Maiden - the Shekinah. O servant of God, walking the path of righteousness

and innocence, the Lord will dispel all darkness, joy will reach the Lord, for the earth will become

holier than the heavens.

He the Lord is One, no one is equal to Him, He is the Sustainer of all,

O longer shall darkness cover the earth. Enlighten us Shekinah, give us Thy knowledge, Let the

Light of the Lord dispel the darkness! This Writings are the Sacred Teaching for all peoples, the

Holy One

Blessed reveals all mysteries in it, thanks to it the people of God are crowned with a tower of joy

and the heaven of good words and the land of righteous thoughts , rises before their eyes.

He the Lord is One, no one is equal to Him, He is Ahura Mazda and Ahriman,

No man can rule over another, all are created equal among themselves. Pride, selfishness and

desire for power is the reason for the world to be destroyed. People can destroy themselves

through the desire to honor themselves in place of the Most High God, through mundane desires

and unbridled selfishness. God is the Destroyer of evil – it Chaos itself and

the Creator of good – Wise Lord , He destroys selfishness and exalts

generosity and mercy,

He destroys pride and rejoices in meekness, He destroys the thirst for power and gives power to

the humble.

He the Lord is One, no one is equal to Him, He is the Lord of peace and defensive war,

The man who stands over the abyss is the one who speaks deceitful words, the one who dares to

call falsehood good and calls truth a lie, the one who speaks false language to glorify his person,

the one who is great in vanity and earthly goods - instead of giving away for the sake of God, for

the poor. If everyone read these Words so eagerly, the Lord would have sent paradise into the

world long ago, from the ruins of selfishness, hatred and divisions there would have been a "new

heaven and earth".

He the Lord is One, no one is equal to Him, He is the One to whom all souls living and dead pay

homage,

Death, slaughter , hatred, seeking vengeance was shared by clerical Christians and Muslims, Jews

. It is time to find peace , it is also time to say an end to all hatred , all unrest and all seeking of

vengeance .

He the Lord is One, no one is equal to Him, He is the Defender against evil,

May the Beneficent One not be harsh to us, for He is far from all hatred.

He, the Lord, is One, no one is equal to Him, He is the All-Invisible,

The Holy Blessed God counted all the lies of the clergy of Christians, the imams of Islam, the

rabbis of the Jews, and had them recorded in the books of Heaven. The worst sin of Christians is

adding accomplices to God, the worst sin of Muslims is directing worship to war and spreading

hatred, the worst sin of Jews is evil speech. Be careful o clerics, do not read your Scriptures so as

to pronounce mere lies. You say - we call to Allah, but the Lord does not listen, for have you

covered up the true message of your Books?

He the Lord is One, no one is equal to Him, He is without form,

It is an eternal principle to love the stranger and thy neighbor as thyself. Likewise whoever

transgresses , should admonish him, then he will spare the soul of the stranger and his neighbor.

He the Lord is One, no one is equal to Him, He is Omnipresent,

No soul can intercede during his life, so that the soul of the deceased may experience intercession.

The afflicted cannot reach the depths of the knowledge of the Lord after passing into the afterlife.

Here in these earthly bodies those seek in vain for reckoning, who think they can gain something

after death or reverse the past. Let us nurture our souls during this earthly journey, then surely the

poor spiritually will find solace, for he poured out his thoughts before God, and the Lord did not

leave him with Nothing.

He the Lord is One, no one is equal to Him, He is Completely good in His form,

When the soul separates from the body, it rests, if it is good, in the peace of souls , in the assembly

of souls. Likewise also awaits the fate of the souls of the unrighteous, where darkness, and

separation from God is a greater suffering than hell and eternal torment. Good souls go to their

place of rest, unrighteous souls who do not repent in the peace of iniquity await eternal separation

from God. There are also hungry souls who wander the earth, they are called evil spirits - the sins

of humans bring them into the world, and the iniquity of human deeds attracts them to act. Nor has

any angel fallen, nor has any Satan been the devil, but he serves God in His Holy Council.

He, the Lord, is One, no one is equal to Him, He is the maker of goodness from the fallen,

Neither be reluctant to worship dowries, or the dead, or God at burials. The Lord has commanded

to beware of this, as every hungry spirit desires to worship therein, in His place.

He the Lord is One, no one is equal to Him, He is the Immortal,

Direct the words of your prayers only to God, for Heaven has commanded not to direct your

prayers to the dead, nor to the living, nor to the angels, nor to any creature. The Heavens

commanded to elevate God above this earthly existence, commanded to Love the Lord with all

your heart and to call Him alone the Savior.

He the Lord is One, no one is equal to Him, He is the Deliverer from evil,

May the Will of the Lord be done - May He become the King of all the earth. Open our heart, O

God, that we may worship Thee with pure language not stained by the language of idolaters. May

the souls of those who transgress thy precepts be transformed, may they experience forgiveness

in the One God, the willing Forgiver. In our grief may God adorn us in our supplications, may our

reconciliation be established.

He the Lord is One, no one is equal to Him, He is the Fulfiller of all desires,

Our Lord is abundant in Mercy, let us also distribute kindness, mercy and let us sincerely love

strangers, loved ones and neighbors.

He the Lord is One, no one is equal to Him, He is the Greatest Judge,

Just as a woman unites with a man, so the Lord unites with the Divine Shekinah, in His Words and

Soul unite. The man, like the Lord, is the Word, giving life, and the woman is the receiving soul with

joy. In the unborn child, who has not emerged from his mother's womb, is contained the promise of

the union of Word and Soul. The child is thus the fruit of the rebirth of Word and Soul.

He the Lord is One, no one is equal to Him, He is Merciful

Whoever separates his Soul from the Word, surely despises the child who is its fruit. David's

prayers rested on blessing his children, as the Soul and the Word are contained in the seed. So he

blessed his children with all his soul and in Words full of purity.

He the Lord is One, no one is equal to Him, He is the Compassionate One,

God's eyes are over the righteous, and He looks forward to them day and night. Good deeds are

the result of bounty, and the love of God draws the righteous to do righteousness. Thus, the Lord

watches over the righteous, evil does not lurk, and the angels of righteousness extend their

protection over them.

He the Lord is One, no one is equal to Him, He is the Invincible One,

The waves are rising in anger, but the people of righteousness will become like the sand of the

sea. The sand that surrounds the Rock of the Lord , will certainly not be flooded , the waves will be

broken and withdraw.

He the Lord is One, no one is equal to Him, He is the One who never Deceives,  
No evil can reach us if we build a fortified city of righteous deeds, full of virtue and respect  
by others. No evil will enter the fortified castle, nor will any deception or temptation of evil be  
share. God will become our Defender, Only the Lord will become our Savior. Mercy is  
rendered on this earth as mercy , evil is followed by punishment and judgment, and righteousness is  
followed by reward.

Amen

Letter about family

Iggera al Beth

Written in March 2023

O people who love only God,

To be able to love your child, your wife , you need to understand yourself.

The source of all human confusion , self-destruction is the lack of knowledge , the lack of  
understanding of the reasons for walking in darkness.

Darkness in man is his inner selfishness , his nature absorbed in itself.

A man absorbed only in his own person, such a person is immature to raise his offspring.

The father should be caring, should know the environment of the child, know his needs.  
Because

in the darkness of selfishness lies the underestimation of parents, elders as well as  
children

themselves. People spiritually die from lack of knowledge , are spiritually unconscious due to

ignorance , experience absentmindedness and anger during difficulties in the family. But this

anger should not be directed at one's children, one's wives, oneself, likewise wives should curb

excessive anger. Keep your eyes open, ears willing to listen.

Father and mother are to be the sustainers of the relationship with their children, they are the

feeders of their needs, they are the protectors from adversity.

The Lord created the heavens, the stars, therefore, as parents, they create a new environment -

heaven for their offspring, the stars are the dwelling place of his Holy Spirit. We should crown

our children with the virtues of the Holy Spirit, as the Lord exalts the stars in the sky. Just as the

Father in heaven takes care of his creatures, parents should nourish the spiritual, social and

mental development of their children.

The Lord made a pair of twins the first human beings, and likewise in a family there is a need for

husband and wife to cooperate in raising children, just as Adam and Eve did in the Garden of

Eden.

The couple was equal to each other, for the wife the husband is the sustainer , for the husband

the wife is the counselor.

The question is decisive - what should be done when the basis of equality between husband and

wife is violated and shaken?

What should a righteous man do in such a circumstance?

Turbulence exists in these relationships how is the husband to become the sustainer and the wife

the counselor? When the husband's power over the wife or the wife's power over the husband

prevails, the eternal balance is disturbed. Because of the imbalance in the marriage, they suffer,

the children suffer and the whole nation is shaken. Husbands, instead of loving their wives

unselfishly, are like selfish and promiscuous children - this behavior should be avoided. Similarly,

wives who crave excessive attention from their husbands are not cooperative - such behavior

should also be avoided.

Such a marriage has no heavenly foundation, is fragile and is shaken by any winds of momentary

discord. Similarly, when the husband's behavior is fruitless, boyish and careless - the wise wife

should seek help and all advice. Mother and Father should lead such a life as to enrich and not

emotionally impoverish themselves, as well as their children. Husband and wife should treat each

other with respect, correcting each other's mistakes in gentleness, admonishing each other in

kind speech.

The healing power of the Father's and mother's love should be expressed in the gentle

admonitions of children. Instead of imposing conditions on children, they should be listened to -

the right way should be explained to them, and they themselves should choose the right way

with our support.

Let's hope that this advice has given you an explanation.

Amen.

Letter in honor of Soraya 1)

Behold the stoned innocents 2) ,

Her blood of martyrdom reached the ears of God,

Her blood of martyrdom was seen by the angels,

She reached Paradise for her innocence,

With what, then, did she merit, since she was innocent?

The Lord does not accuse her, The Lord did not order this punishment but people,

Her husband contributed to her death? Could it be that jealousy , illegitimate judgments prevail

over reason?

Could it be that the husband of a debauchee desired his wife of fourteen years?

Does not the Lord see and repay violence ? He abhors violence.

The damned and the innocent were killed in the name of the Eternal One.

Yet God now rebukes the blood of anyone caught in a lie, in whom the lie was not found !

God will mention the blood of the innocent and repay the liar! Let the fire of the anointed Yosef be

kindled, and let Him digest curses and all violence with His power!

Let Yosef burn the mosques and churches with his word! Let the nations see the Glory of God

Most High in those Days!

God has promised so let it be done - to treat all equally, so that no one is harmed.

Amen.

Shema na

Written in November 2022

O listen this wonderful news to the whole world,

The Lord has clothed us in garments of suffering,

The Lord has clothed us in the trials of life,

The Lord has clothed us in great joy,

The Lord will unite us all, He will carry us to the Holy Mountain

Walk ye therefore and drink, say ye not that ye are thirsty?

The Lord has brought forth from my inner self the very treasures,

He has adorned us with His Holy Arm,

We, shoulder to shoulder, shall be as brothers,

At that moment they will no longer say - we have an enemy, we no longer have an enemy?

So let them not think - he has lost his mind,  
On the contrary, I see life instead of downfall,  
I see brotherhood instead of war,  
I see peace instead of bloodshed,  
you need God, not me alone,  
ye need reconciliation with Him, therefore follow not mortals  
ye need His love, therefore ask in sincerity of heart for your salvation

Let all that I ask be done

Therefore let them say - Amen, and all will be fulfilled.  
God chose me not for the sake of exalting my name,  
but for the sake of chastening me and burdening me with illness,  
he will unite the dispersed and adorn them with the garments of righteousness,  
he will surround them with love, he will not snatch them out of his hand,  
he is the wonderful Lord of peace, spreading righteousness

He is love, a Father steadfast in His resolve

Let them therefore say - Amen, and let the nations see his glory and the Splendor of his Presence,

Let the nations therefore be silent, and let doubt be cast upon them,  
Therefore let hatred be unleashed upon me, and I will bear the punishment for their sins,  
Therefore let them say - Amen, until all is fulfilled.

Become steadfast the sanctuary of the Lord, gather the dispersed of Israel,

Establish purity of language on the Holy Mountain of the Lord,

Let all the world desire only the One, Let only His name exalt!

Is not the Arm of God God Himself, why then do you doubt the name of the Most High?

Do you not comprehend that God is the Lord of all the earth, He is the exalted Savior,

the only Savior of mankind!

He is the First and the Last, let His name be exalted among the nations,

He has always existed , from everlasting to everlasting Unchangeable,

Lord and Creator of all things, Merciful and Forgiving,

He is the Convener and the Deliverer in the trials of life, in all suffering

He is the Convener and the Only Redeemer, Let Him alone exalt Himself among nations,

Let him only they give glory to,

O return Shekinah, let us know you, let your Spirit lead us to all knowledge,

O return Shekinah make Thyself known in our lifetime, may Thy presence appear to us in full,

O return Shekinah and drive away all unclean spirits,

Therefore doubt not, the Lord keeps His promises,

Our perseverance is in His Power,

His love is our strengthening and strength,

He is the Deliverer from the tempter of our flesh,

He is the Merciful Deliverer of mankind,

Walk therefore and do not listen to the mundane talk of the clergy?

Walk on the Mount of the Lord, and obey the Words of the Almighty.

Amen.

Statement on the abolition of the Gospel

Written in May 2023

O obey the nations of my voice,

Shehinah cometh from the north ,

The Lord is rejoicing with a song of consolation!

He will provide the Sabbath in His Might,

His Throne shall be glorified for ever.

Who shall dare to contradict me?

Who can say that I have told a lie?

My Words are the pure Sacred Teaching,

My Words are from the Throne of God.

Let me and my name not be seen of the great, but of God alone.

Has the Lord put into My mouth, His Words, secret Counsels set before My eyes?

In my memories the covenant of peace is entangled,

In my suffering, the salvation of nations is brought.

God saith, I am not the Trinity, I alone am the One, with no intermediary.

God saith, I am not the Trinity, I alone am the One, I have no intermediaries.

God saith, ye have no saviour beside Me, call no man a saviour.

God saith: I sent not Jesus to rise again, let his rising be seen from the grave.

God saith: It is Thy privilege that the commandments of the Gospel and the Qur'an have been

done away with, and through Thee the nations shall know One God.

God saith: I have made Jesus a mere false prophet, I have made him dust like Adam. I myself

have lulled him to eternal sleep?

God saith: The crucifix and the symbol of the fish are repulsive to me, who can know their true

meaning? The former is a symbol of the sun, the latter a symbol of a vagina?

God saith: I have not made for myself such an image on earth as to call Jesus the Creator?

Similarly, I Myself do not incarnate in an infinite number of gods, I Myself am not the Incarnate into

the human body.

God says: "Look how a prophet was made into a god? Look how the nations have made Jesus a

god? To their own shame they worship an idol, so come and worship God alone, come and love

the Father with all your heart.

God saith: "I Myself have no need of intermediaries; I Myself am ever Incomprehensible, never

unseverable. I Myself have not made the prophets One with Myself. I Myself am not One with the

Son of God.

God saith: "Jesus was the false Messiah of His own age; who shall dare to be the Messiah of this

age?

God saith: I am not baked with cakes, and in my name shall no idols be invoked? In the name of

false idols do men drink wine and exalt the baked pie in order to insult me? I, God Most High, did

not call the Eucharist the best sacrifice; on the contrary, I myself abhor human sacrifice.

God saith: Jesus was a mere man, so why do ye Christians make him God, and offend me?

God saith: I called Jesus a liar, and his soul entered purgatory. Why then pray ye to dust, why

make me jealous?

God saith, 'Jesus is to be acknowledged as sinless, but He was in body and soul sinful.'

God saith: I alone am the Saviour; why then look ye to the heavens and the stars and the sun, and

insult me by making idols for yourselves?

God saith: I alone am the Giver of Bounty and Forgiveness, I alone am your Father, with no

mediator. I alone am worthy of honour; look how many sins ye have committed, and I will not repay

you.

God saith: I have not made unto Myself a body worthy of any man, sinful or sinless, to be an

offering for sins. I, God, abhor human sacrifices.

God saith: I have made light and darkness, I have made the prophets possessors of sinful nature

and divine attributes. Therefore I have called them prophets fulfilling God's qualities; they are like

mirrors, reflecting the light of the Divine Spirit. God is like a transfigurable "Sun". Why then, O man,

dost thou gaze upon a mirror, why dost thou fall far in worshipping the mirror, gaze upon the mystic

"Sun" of salvation?

God saith: I have not made the Manifestations equal to Myself in soul or in body, they have not

been made middlemen, but I Myself am the Only Saviour of souls.

God saith - David declared, "Ye are Gods" ; are not the angels called "gods"? Should

not men themselves call themselves mystical "angels" who do the will of the Father?

These mysteries of mankind before you have been openly revealed, before the eyes of men these

mysteries have been unveiled.

Amen.

Tablet of fasting

Luh d-Soma

Written in November 2022

O beloved,

Ye shall observe a fast of 10 days, as in the days of the Lawgiver, as in those days was the Day of

Atonement, and as in the days of muslims became Ramadan. both of which are fulfilled on this

day. And the holy commandments, counsels and precepts concerning the world were established

by the Lawgiver, God's chosen one. They were established to strengthen mankind. We should

celebrate

the Fast of God Most High, calling it with dignity the "Day of Atonement" and the "Festival of Rest

above Rest". The way of forgiveness, the way of life and the way of seeking Unity with the Lord of

the World, is indicated in the sacred books, and only in Him should forgiveness be sought. Why

then turn ye to mortals, and invoke mortals in place of God, to your hurt?

The Lord is exceedingly merciful, and He forgiveth the trespasses of men directly, so why do ye

cling to the garments of mortals, and ask them for forgiveness? Why do you cling to the fables of

the Gospel and the Qur'an instead of following God of the whole world, the One Lord and Creator

of all things?

Why then do you worship the graves and turn to the dead, incurring the wrath of Allah?  
You bear

upon yourselves the penalty of the sin of invoking spirits.

Are My Words a call to the people to honour the Lord alone and to seek salvation in Him?  
Worship

not the dead, even if they were the most holy of men.

God is with us, He is present among us, He is the victor over sin, so why call upon a mortal  
in

place of God, who is a spirit?

It is said in the Book of Wisdom Text that the Most High forgiveth sin and purifieth the  
transgressions of the repentant; why then turn ye to mortals and the dead? Do ye not then  
turn to

the dead and the mortals for a curse? But those who commit the sin of invoking spirits, or  
talk with

the dead, or direct their prayers to the graves, they punish themselves, and violate the  
Unity and

Indivisibility of God. They curse themselves, and the spirits of the dead follow them, from  
generation to generation until the third and fourth generation.

Even if ye sin a thousand iniquities, He is able to forgive you if ye reject the sin and call it  
unclean:

O people, do not whisper among yourselves and say, "How cruel He is"; on the contrary,  
He is the

Forgiver, the Merciful, He is called the Loving Father.

And if thou hadst no father and mother, and they were the worst enemy to thee, and because of

them thou didst suffer much, remember - thy Father is in heaven, and He will not forsake thee in

times of distress.

Is the blood of the "Saviour" necessary for thee to have thy sins forgiven? Never, Our Lord is Great

in forgiveness, is it not fitting for Him to choose a human son, to inflict suffering on him, to raise up

prayers to him, and to ask his forgiveness? Our Lord is supremely Merciful, He is not equal to

human tormentors, He is not equal to man. He has always existed, the Holy Spirit.

Enter the Sanctuary of salvation and unite yourself to the Lord of mercy, He will not abandon you in

your moments of trial, He will carry you like a shepherd in His arms. He hath shewn His Glory in

the Cloud; enter into the Rest of the Lord, and let Him appear to thee in His Glory. Find peace in

the Sanctuary of his Unity, draw near to the Lord who bears salvation and forgiveness, he will not

leave you alone, he will not endure your suffering.

We are all sinners, and we all seek forgiveness from the One God, He whitens our trespasses, He

relieves from every fall, He lifts up when the wicked forsake their wicked ways. He is willing to

forgive, His forgiveness is not far off, though it may seem the contrary.

He is the Beneficent, the Willing to Forgive, so walk ye O People of God, and seek only Forgiveness in Him.

He removeth all obstacles; He taketh in the repentant and humble; He leaveeth not them alone.

He is not too wroth that His wrath should last for ever. He is not the healer of those who have

abandoned their stubbornness, who walk humbly and contrite. For in his forgiveness are to be

sought comfort, consolation, and joy, for he is the Lord of righteousness, and those who serve him

rejoice in righteousness in him.

And those who seek Him daily He has not abandoned, even if they stumble, He will not turn His

back on them.

Break the yoke of false worship, false repentance, and false devotion to God: do not pray three or

five times according to islam, on the contrary, whether it be by precept or by ritual: He heareth not

learned and thoughtless prayers: why then turn ye not to the Father of grace, in your own words?

He will bestow on you the greater bounty, bring you to Himself, and honour you as His sons and

daughters.

While fasting, pronounce the names of God's "His Praise" several times with gratitude, praying with

a cord, or using it with joy, and not to pronounce the names of the Lord involuntarily, thus drowning

out reason. No Book of God permits the names of God to be uttered without consideration, with

contempt, and by repeating them without thinking. He is indeed the great Forgiver, in Him seek

forgiveness of all trespasses, in Him all cares disappear.

God hath written on the tablet of my heart , His holy commandment,

This is the greatest of all the commandments of Allah - Stir up the fire of equality where there is

inequality, stir up the fire of love where there is iniquity, stir up the fire of strife where there is

injustice done to you.

When ye sit down to eat or to celebrate, let there be equality among you, and let women sit among

men and men among women, and then they will be one.

God is indeed great in His declarations, and He repeats not the words once spoken.

Guard your bodies, minds, and souls from the monstrosity of temptation. Guard and protect your

children from the chains of sin, fasting and repentance are indicated to us on the way of salvation.

So cut off everything that is useless, and bind yourselves with a girdle of nobility, distinction in

virtue and desire to give gifts during fasting. Let fasting be a respite from the spiritual warfare that

is going on among men, and let rest in fasting be profitable for you.

For the mind does not become accustomed to evil, nor is the insolence of sin brought to the mind

on this day, nor are the hands willing to do iniquity.

Let this mind be free to us from all impurities, then all difficulties will rest on the shoulders of the

Lord of Lords and King of Kings. He will take in those who are despairing, who are left alone to sin

and its burden; do not condone sin, but also accumulate the merit of forgiveness for your neighbor.

Help the faithful to persevere in their fasting, so that their merits may be noble and the narrow

ways may become wide and open.

These are the names of God which are to be recited with a cord -

The Lord, the Mighty and Strong, His name is the Healer, the Righteous, the Faithful, the Just.

Allah, the Seer, the Lord of Wisdom, the Beneficent, the Compassionate, the Excessively Merciful,

the Grantor of Peace.

He is the Lord of purification, the Lord of restoration, the Lord of deliverance.

He is the Creator of righteous thoughts, the Creator of righteous deeds, the Creator of right words.

He is the Strong One, He is the Saviour, He is the Conqueror over all sin.

God is the strength of our hearts,

Worship God alone with perseverance, and His Glory will follow you, and protect you. Be

persevering in seeking salvation from God, and in Him seek inspiration to persevere in noble

deeds, and to keep your minds pure and your words accurate. Unparalleled is God in forgiveness;

He is the One Lord Who forgives trespasses, the Only One Who is the Rock of Salvation.

He is the Healer of souls who have strayed, He is the Healer of souls who seek rest in their journey, He is the Healer who brings the cure of the soul, and it is none other than infinite forgiveness.

Amen

Tablet of Glory

Luh d-Shubha

Written in November 2022

May God alone be praised,

He created men equal in the beginning, He replenished the man in the woman,

Let the governments of the world now heed this advice - let each of them create stable

governments to stop war, let thoughts of compassion and empathy for women, development and

equality reign among them.

Let them, as individuals, be self-sufficient, but also let them not treat the poor and needy with

disrespect.

Let all equality flourish in commerce and in all professions. God has made men and women,

worthy and unworthy alike.

Let self-development be an attitude for every man, it is a far higher duty for us than martyrdom.

Development is a true achievement and brings peace, harmony and the reign of beauty in us.

Women have been persecuted over the centuries because fools have misinterpreted several

verses of Bible, and have thus offended God and destroyed the image of the Beneficent God.

Those are the distant ones who macerate, punish and threaten with violence.

There should not be a different commandment for men and a different commandment for women;

in God's sight men and women are equal.

Let not the word "complete subjugation" be on the lips of believing husbands towards their wives.

The Shekinah is one with God, just as the wife is one with her husband, so may they not lord it

over one another and make each other subservient.

Let Christians reject original sin; look for yourselves how much harm this idea has done?  
Original

sin brought about the humiliation of man, the humiliation of the image of God in man. This idea has

brought the misfortune of asceticism, developed celibacy and made women subject to cruel

persecution. Christians are victims of their own deluded beliefs, which entwine them like a weed

around a young plant.

O children of Abraham, see for yourselves that your wives, daughters and mothers are often

treated as your property, and that is a destruction of their dignity. God has made all men equal,

should not any parent likewise treat his children as property? You can't get rid of them just

because you are bored, you can't make their lives miserable, let's treat all sexes equally.

Look how much injustice there is in the world. After all, in every faith in the world today, the role of

women is humiliating, equality is relegated to the background.

Likewise the Jews to this day relegate women to an inferior role, look at the life of the mother of

Sarah and Rachel, look at the life of the prophetess Deborah? God, after all, is not biased?

Similarly, the Muslims also push women to the limits of humiliation, yet the Quran doesn't

commands full equality, so why do they twist the words - Sacred Scripture once spoken by God?

Why do

the Imams adhere to the precepts of men and worship false traditions?

This is the faith of all the prophets of God; it teaches the upholding of human dignity, it teaches

solidarity among all races, it teaches complete equality of the sexes. It teaches all people to be

brothers to one another, to reciprocate justice, to strengthen freedom of thought, and to reach

solutions that do not violate borders.

Look at the faith of the some Jews, Christians and the faith of the Muslims; they hide behind God

and make Him a monster. And yet it is declared that He is the Beneficent One, so why do they take

a punitive hand against people, degrading also the position of women? Have they themselves

taken the path of the abyss?

The great spirit of God, the divine Shekinah is not responsible for the actions of people who preach

inequality, injustice and lack of openness.

The spirit of God reciprocates by preaching equality in place of the hopelessness of inequality,

justice flourishes and crushes lawbreaking, wisdom and openness will combat the abyss of

prejudice. There you will find the divine Shekinah of God, the Mother and Father of Universal Unity.

Accept that which is truth, accept equality and the Shekinah Glory will shine upon you with great radiance.

Amen.

Tablet about gratitude

Written in November 2022

He God is One ,

He is the Lord joining with us with ties of love,

He is the Lord who fosters gratitude,

Therefore be thankful that others try to serve you,

Be thankful for those words of encouragement, strengthening and consolation

Be thankful to God for the gifts he bestows upon us,

He is eternal joy, He is the inspiration from generation to generation,

He is the victor and the Only Deliverer for us in moments of sorrow, doubt and loneliness,

So adhere to Him, be of humble heart and express gratitude to your neighbor,

If you express gratitude the Lord will see and find you admirable,

His deep love , will show itself fully if you render kindness for kindness, good deed for good deed,

Be patient on His path, and don't wander in the dark listening to foolish clergymen?  
Rather, have

reason, choose dignity, and stand firm in the faith of God,

The Lord will not snatch thee out of His hand, He will not forsake thee, for thou hast brought to His

treasury in heaven every righteous deed, thou hast delighted Him with thy zeal to do all righteousness,

God is the Lord and the Only Savior

Amen.

Tablet to honour of Heavenly Peace

Written in December 2022

Wake up, O ye nations, and do not turn a blind eye to this message

These are words long foretold, written before the eyes of righteous men

And though men would even doubt and curse His -Messiah coming,

I steadfastly stand by the side of God, as His servant.

Some foolishly identify Him with Jesus, others give Him a sinister title.

I see the signs, I follow their guidance boldly.

Why should I judge people for who they are and what they do?

Is it not for the Lord of Hosts to judge?

From the Ancient of Days He will establish the Holidays, never blotting them out, nor will He

remove them.

The promises of the Lord are fulfilled in him

Has God come to divide mother and daughter, or father and son? Nay,

It was never the ordinance of the Lord to use weapons, but to make all men His brethren.

Let the hearts of the sons call for love to their fathers, and the hearts of the mothers to their daughters.

Let not a father chastise his son severely, neither let a mother chastise her daughter in vain.

Is it not announced to us that a Peacemaker will be revealed to us, one whose name will be made

great among the nations?

O ye nations, seek your God and your King,

He, the God of the heavens, is One, indivisible, and hath appointed none to be equal to Himself,

And long for His coming,

Let him defile himself with his idols, his wood ornaments, and boast of his darkness,

But we are a people of light, and we walk in the light of the Almighty,

The nations will say, Let us follow you, will your promises be fulfilled?

O stagger in pain, ye mighty prophets, for shall all speech be taken away from you?

O assemble ye nations pleasing to God, and serve ye only your Lord,

Are ye cleansed from the burden of your sins, and say ye not, God is One in Three?

Was it not foretold in the Prophet that all this would come to pass?

And a nation among the nations shall know the name of the Lord of Hosts?

Shall they call their King "The Treasure", to whom they will bring treasure?

And shall they call their King, "The Greatest Name", and He shall glorify God alone?

Were not white diamonds given for His fiery Name?

Were not four yellow amethysts given to the air?

Were not six emeralds given to the water?

Were not the happy rubies given to the earth?

To the name of God corresponds the conscience, to the air corresponds the divine Shekinah, to

the water corresponds the soul and to the earth corresponds the body.

In these answers are contained those Words - In the Name of God, the Inaccessible, the Sacred!

O peoples of the nations surrender your consciences to God, let the divine Shekinah touch your

spirit, let it inspire your souls and your bodies.

Amen

Tablet of kindness

Luh d-Hessed

Written in November 2022

Our Lord is Peace, our Lord is Lord of all the world,

He hath commanded us to live in gentleness, not to scold others with our words; let us be  
wise and

gentle in our doings, though many hindrances befall us, the Lord will raise us up, and He  
will not

leave us alone.

Most High is the Lord of love; let us be pure as doves, gentle in our conduct, and obedient  
to His

will.

Let us speak to one another with gentle, soft words, then the love of our neighbour will not fail us,

let us give love for love, a good word for a good word, let us be faithful to these commandments,

and let us not walk in our own narrow ways.

Let us lay aside hatred, let us accept gentleness into thine heart, let us put patience upon thy

hand, and let us fasten upon thy forehead allegiance to the Lord of hosts.

O ye troops of men, walk in the paths of righteousness, give alms, give kindness for kindness,

bring forth the fruits of kindness, and rejoice in them.

Take the attitude to develop non-maleficence, provide your neighbours with love, have good

intentions and do not follow the ways of malice, anger and hatred.

Become a holy, exemplary daughter and son of God, filled with gentleness, united in the bestowal

of gifts, full of unselfish love and kindness.

Love all people with one language of kindness, have as companion the Jew, the Muslim and the

Christian. Have mercy on the suffering and the weak, be gentle towards the anxious, the afflicted

and the sad. The Lord is the companion of our suffering, and He alone will deliver us from the hand

of the enemy.

The heavenly command is to show kindness to those who dwell in their homes.

It is commanded by the heavens to bring home the banner of peace, not to abandon widows and

orphans, and to provide for the needs of children, wives, and elderly parents. Treat yourself with

respect, show kindness and dignity to those who are wronged and in need of deliverance from the

enemy.

We are commanded by the heavens not to fight with the disbelievers and not to chase after them

in hatred; on the contrary, we are commanded to pray for their souls, that they may find the truth in

God the One Salvation.

May those who have hitherto been hateful, wrathful and rude detach themselves from the evil that

is upon them, may they detest war, strife and discord, may they embrace gentleness, kindness and

forbearance. Let these saints of the highest enlightenment be gentleness, kindness and forbearance to every living being, especially to their fellow man and their family.

The Lord is the only One to command, the only One worthy of reliance,

He is our Lord and the only Saviour of mankind,

Amen.

O God is One

Was the bugle of the Shofar sounded in the days of Jesus? Certainly not,

Was Jesus the Passover lamb slain, beaten and burned? Certainly not,

Is the sacrifice for sins fulfilled in Jesus? Certainly not,

Should Jesus' sacrifice be called miraculous? Certainly not,

Was it God's purpose to redeem the world in the blood of a human lamb? Certainly not,

Will the Anointed One rebuild the temple of his body? Certainly not,

Is Jesus the priest and the Lamb? Certainly not,

Was Jesus slain in battle? Certainly not,

Was Jesus an anointed leader? Certainly not,

Do we need a mediator and a human Saviour? Certainly not,

Did Jesus have offspring? Certainly not,

Did Jesus' kingship endure to the end of his life? Certainly not,

Did Jesus suffer torment and torment indefinitely? Certainly not,

Did Jesus prolong the days of his life? Certainly not,

Did Jesus live alone , was he despised by men? Certainly not,

Was Jesus burdened with sickness? Certainly not,

Is the Anointed One to be born in Bethlehem? Certainly not,

Amen.

Those who plunge themselves into darkness and only confess the name of Jesus or Muhammad

with

their lips, who call themselves saints but hate and harm the world, are not true followers of these

men, but blaspheme God.

October 21, 2022

the Lawgiver, and other prophets were moral teachers and revelators of God, so we should see

their books,

where between moral principles were inserted fairy stories to be able to better communicate them

to

mankind.

November 23, 2022

True followers of God are friendly, helpful, and kind; their love is reflected in their actions; they

radiate the pure love of God.

What about the apparitions of Jesus and Mary? Did God send Satan to create illusions to test

whether we are faithful to God or whether we believe foreign illusions? God proclaimed "Thou

shalt have no other gods before me" .

Jesus,Mary & all the saints of Islam & Christianity have died. God commanded to worship Himself

instead of turning to the dead in prayer. Those people who turn to the dead follow the path of Saul

"because he was unfaithful to the LORD; he did not keep the word of the LORD and even consulted

a medium for guidance" . Because of this Saul became cursed "evil spirit from

God is tormenting you" .

To be a believer in God means to sincerely trust the Lawgiver and sincerely follow his teachings as

found

in the Sacred Scripture. There are many disputes between Shiites and Sunnis, Protestants and

Catholics, Jews

and Christians, but endless fighting is not the solution. It is necessary to put an end to disputes and

love all people as brothers, regardless of what they think and who they are.

Response to murder: God's love wins people's hearts, and grace is more valuable than punishment

and chastisement from God, whether physical or spiritual. Punishment should be administered

fairly, because cold-blooded murder should be punished by death. The Prophet the Lawgiver stated

that if

you kill a murderer who committed the act intentionally, "you will remove evil from among you"

.

Response on rape: Severe punishment is the best punishment for a rapist; a man should be flogged

as well as a woman.

Stoning, capital punishment in cases other than murder, and cutting off hands should be abolished

because God gave man free will and the right to change his heart. Change is more precious to God

than punishment; mercy is better than vengeance. The prophet the Prophet put it this way: "Do I

take

any pleasure in the death of the wicked? says the Lord God. Do I not rather rejoice when they turn

from their ways and live?" .

### Theft

Bloodshed is not a solution and a response to the Father's love. God is a Father and not an

avenger

seeking revenge. the Lawgiver permitted not cutting off hands but paying for a stolen item or

"beating to

death" which was later turned into imprisonment. the Lawgiver, therefore, allows not

vengeance and punishment by death, but the law of grace and forgiveness in the form of payment

for a stolen thing. The law of repayment for a stolen thing , is the best answer for the one who stole

the thing resulting from poverty, hunger or lack of reason. The Israelites plundered other nations

and God the Father did not inflict punishment on them because they were hungry? G-d is just and

judges justly, He is not a Creator seeking revenge.

G-d's promise is to punish here on earth all who break His law "Do not say, 'I'll do to them as they

have done to me; I'll pay them back for what they did"

### Punishment or mercy?

Not all punishments in the Sacred Teaching are fair. Not fair is - cutting off hands, killing without

reason and

stoning.

Reading the Sacred Scripture shallowly, and not inferred from the context, we can assume that for

all

punishments it is mandatory to kill the guilty party. From the context, however, it appears that the

Law of the Lawgiver in Deuteronomy applied to the time when the Israelites entered the land of

Canaan,

G-d wished to teach them righteousness, otherwise they would all have perished in the desert.

Canaan was a land of bounty to which they journeyed, G-d's bounty is sufficient for the sinner if he

turns from his wicked ways.

Short Talk

Memra Qassira

When it comes to Christianity, Jesus did not fulfill even part of the messianic prophecy of the

prophets , including the promise of world peace—establishing it among the nations of the

earth as a “peacemaker among the nations” with authority over the nations—a physical, not

spiritual, kingdom with Jerusalem as king. The New Testament is full of fairy tales designed to

attract pagans to its side, and therefore it is unreliable, contradictory, and not inspired by God. The

blood of innocent people, Jews, Muslims, and heretics, whose only fault was to reject the divinity of

man, to abandon worship of the Savior in human form, and to renounce the rule of the Roman

Church over themselves, is flowing from the hands of fanatical Christians. The blood of innocent

people murdered by Rome for centuries cries out to God. Rome will surely be destroyed and ruined,

as God has foretold: " Then the house of Jacob shall be a burning flame, and the house of Joseph a flaming fire; but the house of Esau shall be as stubble, which Jacob shall kindle and

burn. And there shall not be any remaining of the house of Esau." For thus says the Lord

. As for the Persian state, it has been prophesied that their fanatical mullahs will be destroyed "So I will scatter the Elamites before their enemies, before those who seek their life.

I will bring disaster upon them, even my wrath," says the Lord. "I will send the sword after them until I have destroyed them" . The lies of Christian and Muslim clergy will

be exposed, and divine punishment and blood will fall upon them from the hands of their own

followers. I would rather be a heretic who worships the One God and Savior, like the Lawgiver, than

to

dishonor God and worship any man in His Holy Place as God and Savior. However, Jesus cannot

be

attributed any saving role, because he did not die for anyone, and the Jewish Passover sacrifice

does

not save anyone, but is a sign of obedience. Jesus cannot be attributed with the attributes of

Almighty God and the incarnation of divinity, because this is contrary to the law of the Lawgiver,

which

states: "You shall have no other gods before me " or the prophet the Prophet: "I, the

Lord, am the first, and I will be the last! , "I am the Lord, and there is no other"

. To claim that Jesus or any man is God in the flesh or a man who is God during his lifetime or after death is blasphemy according to the commandments of the Lawgiver, the first

lawgiver of

mankind. God's revelations express divine attributes in human bodies, but this does not mean that

prophets are gods. On the contrary, they are very human, and their words come from God. Let the

name of God be exalted above all human names, for God is King of all the earth, not man. Amen.

. Demons are the souls of cursed dead people who dared to renounce God and sought honour for

themselves. They are the souls of the powerful who opposed God

They are the souls of powerful people who have defied God and tempted themselves, who have

brought tyranny, cannibalism, the murder of children and the sacrifice of children, all of which,

after death, have made them souls hungry for self-worship, and thus they have become idols to be

worshipped by the nations. The Queen of Heaven is the demon soul of Semiramis, who brought

magic to the world, and Tammuz her son became a demon like Osiris, who mocked the divine

power of life, and made himself a resurrection, marrying his mother a virgin. Angels cannot fall, but

demons have free will, because they were once degenerate human and angel beings.

the Eternal One is the Lord of death and life , He is the God of light and darkness, He tempts and

He

delivers. The Lord is Ahirman and Ahura Mazda, the Eternal One is the creator of all these things

and

everything is under His authority. The fall of Adam is the benefit for the healing of the world, it is

the attempt and joy of God to bring in the sorrow, suffering and trials of life a greater joy, release

and seeking his face. Similarly if there was no pain man would not know when he has hurt himself,

suffering is helpful for our spiritual development in this world and the world to come

January 9, 2023 .

It can be said that incorporeal demons exist, but their power is limited. They do not really exist, and

mental illnesses that are influenced by demons and strange behaviors are the result of illness.

Similarly, Christians in the past mistakenly referred to “witch killing” as a legitimate reason for

murdering innocent women. These women were burned at the stake by the thousands for their

innocence and spreading superstitions. True “witchcraft,” according to the Lawgiver, is addiction to

intoxicants. However, God desires mercy more than vengeance, so today He is willing to forgive

and encourage a change of heart rather than seek harm

A conversation about Christianity

Christians should choose between what God teaches in the prophets and what His Christ teaches

in

the false gospels. Calling anyone “Antichrist” simply because they follow the words of the prophets

instead of New Testament Christianity is a sign of ignorance and a lack of knowledge about

prophecy. Christianity grew out of Judaism as an apocalyptic sect, expecting the Messiah to return

during their lifetime—but none of these events took place. No kingdom arose from sea to sea, no

king sat on the throne, and the scattered of Israel did not gather together. If I am to follow the

teachings of the prophets and be called “Antichrist” and a deceiver, I prefer to choose those titles

rather than follow a vague and corrupt Gospel that is full of contradictions and errors. I prefer to

choose that title rather than preach to people the falsehoods contained in the New Testament.

Despite its beauty, the New Testament is a mixture of false teachings—Mithraism, the teachings of

Egyptian magicians, and the teachings of the Greeks. The New Testament that Christians read

today

is not the Holy Scriptures at all; everything in it is false.

March 19, 2023 .

My task is to bring peace and words of truth to the Lawgiver' pagans, and then they will gather into

one

group, and no Christian will hate a Jew, and no Jew will hate a Christian, because everything will

pass away, there will be no more Jews, Christians, or Muslims on earth, but only one faith in God.

March 18, 2023

. In order to bring peace to the world, the books of previous dispensations must be destroyed, just

like the Gospel and the Koran. When the memories of hatred are burned in a spiritual way, a

phoenix of joy and peace will rise from the ashes. Wisdom and the Lord of Light will shine forth,

enveloping the whole earth with their rays.

A new Sacred Teaching will be written, the law of peace and unity . God's love will surround all

people, brother will not hate brother, no one will raise a weapon for war, even animals will stick

together in love

These are the Words of God Himself -

He has declared - I have no Son, no man can take flesh and become Me. I Myself am the One

Indivisible, having no intermediaries, the One who abhors human sacrifices. I Am He who reveals

Himself as One Person, not incarnating in three beings. I am the Only Savior of mankind, and I

have not given any man the name of Savior. I am the Only Creator, and you do not call man the

Giver of Life.

April 19, 2023

May the phoenix of divine union and perpetual peace shine upon the monstrosity of the past world.

From the nest of discord there will arise an everlasting faith, giving rise to the Messiah to be

revealed in his magnificence. My hand does not spare to describe the grandeur of the world to

come, the distant House of Song will come to us on earth, then will declare to all peoples "behold

the new heavens and the new earth" long foretold.

April 19, 2023

. The role of the faith of the Eternal One is to replace the ossified faith of Islam, Jews and Christianity with

the faith of caring for humanity, meeting needs and believing that every human being is valuable

April 29, 2023

Churches and mosques are like a rubbish dump in which all sorts of impurities can be collected, as

the preachers preach tales.

Gullible Imams and priests roll around like pigs, soiled by the impurity of their beliefs, not caring

about the souls of their fellow human beings and stuffing their own pockets with money, getting

rich on the misery of a stupid people?

They get rich and they lie, not fearing God.

April 25, 2023

. May Rome and Ishmael not besiege Jerusalem when they run out of black gold, Yahweh will burst

out in wrath, he will burst out with the fire of a thousand suns , the wrath of God will consume them

all in the valley of Jehoshaphat

Where we are And exalt only God most high - El Elyon. There the Lord watches over us, his eyes -

ovanim, And his chariots -merkaba are always a help to us. They are sent as servants of the Lord to

comfort and support in all difficulties.

May 9, 2023

God sent angels to earth as watchers , but they desired to mate with women. Their

hearts turned to stone, impure and corrupt, and they became demons, lusting after human flesh and

seed from time immemorial. Their human descendants were called giants, always called nephilim -

fallen.

Prophets of Baal dancing , shrieking, jumping around - worshipping man in place of God?

Worshipping the golden calf they blaspheme God Most High.

It is heresy to teach that man or God in the flesh of Man can atone for the sins of the world , each

answerable to the Lord for himself. The prophet the Prophet says so in the Prophet 18:20

"The soul who sins shall die. The son shall not suffer for the iniquity of the father, nor the father

suffer for the iniquity of the son. The righteousness of the righteous shall be upon himself, and the

wickedness of the wicked shall be upon himself."

May 17, 2023

Shekinah burns with hot embers in the hearts of tender people like the radiant bush of the Lawgiver.

The

fire will flare up with great force, gave birth to love, who can tame it, who can extinguish it?

May 27, 2023

God will lay His hand on the nations , volcanoes will make their sound , I see suffering and rescue

in my dreams , I also see a worldwide famine , through this deliverance. We will all return to the

customs from the Ancient of Days , we will all go to the mountain of the Lord , to honor the One

God.

The nations , however , see nothing wrong with worshipping Jesus and it is an abomination?

Similarly , the nations also see nothing wrong with worshipping Qabba ?They all worship the sun,

stars , the hosts of heaven , to despise the Most High !

June 11, 2023

O Ruler of the Universe,

stop the flood of Christianity and Islam,

let the nations speak with pure words,

let the nations worship only You, Almighty,

Amen

Advice – What should you do when one party has excessive prejudices against the other, especially

when these prejudices are hidden?

The best way is to find out what prejudices the other party has. Another way is to learn about

cultural, racial, and religious differences. Prejudices can be replaced with knowledge. Through

experience and acquiring new knowledge, old, destructive prejudices will be overcome.
